Dear Sir/Madam

TESTIMONIAL: IMPACT OF THE MOT PROGRAMME AT FALSE BAY TVET COLLEGE

It is with great appreciation that False Bay TVET College acknowledges the positive impact of the MOT Programme on our students and broader college community. Over the years, the programme has played a pivotal role in empowering our youth with essential life skills, fostering resilience, and encouraging responsible decision-making.

Through its engaging and values-driven approach, MOT has helped our students develop self-confidence, courage, and a strong sense of personal responsibility. The programme's emphasis on integrity, respect, and community has aligned seamlessly with our institutional goals of nurturing well-rounded, socially conscious graduates.

We have witnessed firsthand how MOT has inspired students to become active contributors to their communities, equipped not only with academic knowledge but also with the emotional intelligence and ethical grounding needed to thrive in today's world.

False Bay TVET College is proud to be associated with MOT and fully supports its continued implementation and expansion. We believe that initiatives like MOT are essential in shaping the future of our youth and building a more compassionate and courageous society.

Kind regards,

Mrs C Matthews
