Hi MOT office

This is thembela Theo Jacobs speaking.

I'm a MOT youth alumni. I'm a BBA2 student at TSIBA business school a business institution

I was a MOT youth member in my highschool in 2014-2018 that was my duration in high school 🏠 in COSAT.

MOT helped me to find my self. It helped me to have an identity as I was lost as a person. The three elements of courage helped me to pay it forward with my self and others

Courage to say no helped me to say no in a lot of stuff and negativity. And courage to live helped me to live my life in my fruitful manner . Courage to care helped me to care for others to be there for others.

These three elements helped me to be myself and I'm grateful for the purpose and mission my life has for Me . Thank to MOT ,Thank you to the members of MOT for helping me to be me.

Kind regards
Thembela
