Subject: Thank you!

Dear MOT South Africa Team,

Last week this time, we were collaborating on a fruitful engagement, encouraging leadership amongst our youth.

The Public Education Section would like to thank you for working with us to reach the youth and instill leadership skills within them.

The main objective of the programme was to enrich our youth with new perspectives of being an active citizen in the Western Cape.

Furthermore, it was also to ensure that the potential they have as future leaders, are enhanced with leadership skills that they can apply in their everyday lives.

We would like to thank you for your excellent contribution in preparing the youth for effective, efficient leadership.

The practical component of activities that you facilitated was creative, worthwhile, and definitely beneficial to everyone present.

I also learnt something new, which I will incorporate in my daily decision-making processes and interactions.

Thank you very much Viola for always making the WCPP a partner of priority when we request your assistance.

Here is to many more mutual beneficial engagements 😊

Kind Regards

Bethmery Cloete
